CITY COUNCIL.

Proceedings at the City Council
Tuesday evening, February 27th,
1883, Alderman Patrick presiding.

A petition was presented from
George R. Jones, signed by J. D.
Lomax, his attorney in fact, asking
that he be granted a lease for a term
of about five years, of ten acres of
land described as the east half of
the southwest quarter of section 24,
township 1, north of range one
west, Salt Lake meridian, at such
reasonable terms as may seem just
and proper. Referred to the com-
mittee on public grounds.

A petition was presented from
Jabez W. Taylor, complaining of the
damage done his property by floods
on the 13th and 14th of February
1883, caused by the dunes crossing
the streets near his property being
obstructed in such manner as to
overflow the streets and adjacent
property. The amount of damage
claimed was \$45. Referred to the
committee on claims.

A communication from the Salt
Lake Power, Light and Heating
Company, signed by its secretary,
Henry T. McEwan, was submitted,
setting forth that the proposition of
the Council to erect three electric
lights on North Temple Street
would be accepted on the following
conditions, viz: The lights to burn
from the first of November to the
first of March, between sundown
and 7:30 o'clock, p. m., and the re-
mainder of the year between sun-
down and 12 o'clock p. m.; said
company to run the wires and erect
poles to support the same, furnish
wires, carbons, etc., for the sum of
\$240 per light per annum, payable
proportionately monthly, the light-
ing to begin as soon as the company
can get wire and erect poles, and
the contract between the company
and the corporation of Salt Lake
City to be executed as soon as pos-
sible. On motion, the conditions
prescribed by the Salt Lake Power,
Light and Heating Company were
accepted, the city attorney was
instructed to draft the proposed in-
strument of agreement, and the
mayor was authorized to sign the
same on behalf of the city.

The committee on streets and al-
leys to whom was referred the peti-
tion of Paul A. Schettler in relation
to the obstruction of a certain street
on the bench east of the city, re-
ported that they had examined into
the matter and found that the land
on which the said street was situ-
ated, was entered October 24th
1870, and said street was used con-
tinuously as a public highway up to
the latter part of 1872, unobstructed,
the public thereby acquiring the
right of way, by occupancy for a
period of over twelve years. The
committee therefore recommended
that the city marshal be instructed
to cause said street to be opened and
that the party obstructing the same
be prosecuted. Adopted.

The committee on improvements,
to whom was referred the sugges-
tion of the Mayor in relation to
erecting a fence along the acqued-
uct on North Temple street, re-
ported that after due consideration
they recommended that a fence
made of cedar posts and two inch
pipe be erected; that the cost of
such a fence would approximate
\$3.25 per rod for the material, di-
vided as follows: Two rails of two
inch pipe, thirty-three feet, at 8c.,
\$2.64; two cedar posts, at 30c., 60c.;
total, \$3.24; that the cost of erecting
would not exceed, per rod, 75c., and
the total cost from \$4 to \$5 per rod,
making a fence practically in-
destructible, and answering every
purpose. Received and laid on the
table subject to call.

On motion it was decided that the
salaries of all city officers and em-
ployees, including the police force
and firemen, remain the same for
the ensuing salary year as were
paid during the year last past, and
the necessary appropriations for the
payment of the same were made
contingent to be drawn monthly as
the same shall become due.

The city attorney introduced a
bill for an ordinance relating to the
control and distribution of the
waters flowing into Salt Lake City,
and stated that in so doing he was
fulfilling the instructions of the
council given before his departure
for the east, where he had been
upon a leave of absence granted
him by the mayor. He further
stated that his design in presenting
the bill was not to influence or
obstruct in any way consideration
of the bill on the same subject now
before the council.

After discussion, the bill pre-
sented by the city attorney, to-
gether with the one introduced by
Alderman Raleigh, and which has
been the subject of the council's
deliberations for some time past,
was referred to the committee on
municipal laws.

Adjourned for one week.

BRIGHT'S DISEASE OF THE Kid-
neys, Diabetes and other Diseases of
the Kidneys and Liver, which you
are being so frightened about, Hop
Bitters is the only thing that will
surely and permanently prevent and
cure. All other pretended cures
only relieve for a time and then
make you many times worse.

tory, corner of Sixth South and Third East
Streets.

TELEGRAPHIC

Red Cloud—Oregon and Nav-
igation and U. P. Agreement.

Omaha, 27.—Red Cloud arrived
here to-day on his way home from
Washington; he leaves for Fine
Ridge Agency to-morrow. He is
rather reticent as to Agent McMill-
cuddy, who has been retained as
agent. He is satisfied with his trip
to Washington and his interview
with the interior department, and
has great expectations of getting
pay for the money taken from him
in 1876 by the military. He expects
about \$14,000 in cash.

Assistant General Manager Kim-
ball, of Union Pacific, who returned
from New York to-day, confirms the
reported agreement between the
Oregon Railway and Navigation
Company and the Union Pacific for
a ten year contract of interchange
of through traffic to Portland,
Oregon, via the Oregon Short Line.
The meeting point of the Oregon
Short Line, and the Oregon Nav-
igation and Railway Company's line
has been fixed in the valley of Snake
River. Sleeping cars are to run
from Omaha to Portland without
change; the two roads are to be
completed to the Junction by Dec-
ember 31st of this year. Work on
both lines is being rapidly pushed.
Winter camps are being maintained
on the Oregon Short Line for a
great distance. The Wood River
branch from the Shoshone Junction
to Hailey, Idaho, will be completed
early this summer.

More Apparent (Crookedness).

New York, 27.—Mary Irene Hoyt,
daughter of Jesse Hoyt, commit-
ted to the Friends Insane Asylum,
near Philadelphia, in June last, has
been released and pronounced sane.
She says she was put out of the way
to keep her from her father's death-
bed, and will contest his will on the
ground of undue influence. The
physician's certificate upon which
Miss Hoyt was committed is not
filed. The physicians are cited to
the court to explain.

Sold Bad Irishmen.

Dublin, 27.—Another bailiff
named Flynn, was attacked and left
for dead near Clonbur, County
Mayo. Three members of the Joyce
family, witnesses in the Moatrasna
trial, while protected by five police-
men, were attacked in a public
house at Churchfield. The police
firearms were taken and used on the
Joyces. One was badly wounded.
